About Us

With over 26 years experience in manufacturing and distribution of rear view mirrors to the commercial vehicle industry—and an ever-expanding range of quality lighting—Unitruck UK has established itself as a leading name and the largest after-market CV wing mirror distributor in Europe.

The Unitruck UK brand has become synonymous with truck lighting as well as with mirrors. It is a perfect example of quality parts at the best price.

Unitruck UK continues to expand into new territory aiming to achieve a similar dominant market position as it holds in Europe. As of October 2018, Unitruck has arrived in the USA, presenting its heavy truck range designed around the US truck market.

Unitruck US Corp is launching its high-quality range of aftermarket mirrors and lighting from its West Coast facility in Nevada. Unlike many suppliers of aftermarket mirrors and lighting, this is our sole market, and therefore we are committed fully to the range and quality the US consumer demands.

Contact us

Unitruck is here to provide you with more information, answer any question you may have and create an effective solution for your needs.

Place an order:

Call us at **702-793-4197** or **702-960-2842**, or visit our website **www.unitruck.com**.

We offer free shipping across the entire United States.

Business Hours:

Monday to Thursday, 8:30 am to 5:00 pm
Friday, 8:30 am to 3:00 pm
Closed Saturday and Sunday

How a Unitruck expert can help:

- Provide more information about a specific product you are about to buy.
- Locate a mirror or headlamp you can't find in our catalog or website.
- Find different shipping options.
- If you are not satisfied with a product you just bought and want to return it.
- If you would like to purchase bulk quantities and want to speak with a sales representative.

General contact:

info@unitruck.com

For returns:

returns@unitruck.com

Address:

Unitruck US Co.
Office 576, 400 S. 4th Street, Suite 500,
Las Vegas, Nevada 89101, U.S.A

Return Policy

If for any reason an item you have purchased from Unitruck's does not meet your satisfaction, you may return that item within 15 days. For all returns please send an email to returns@unitruck.com and we'll provide you with a return label. The following conditions must be met:

- All returned goods must be in their original state in new, resalable condition
- Shipping Fees are non-refundable
- All returns must have a valid number issued by our customer service department

After receiving the item back into inventory, we will issue a credit back to the customer in the form of payment that the original order was received (PayPal, credit card, etc.)

Damaged, Defective or Incorrect Products

In the event your product was damaged in transit please contact us at returns@unitruck.com immediately. All damages must be reported within 48 hours of receiving your package. If a shipment arrives at your doorstep and is clearly damaged, we suggest not signing for it if you have the chance since carriers won't take responsibility for transport damages after you signed. However, if you don't have this option make sure to take pictures of the damages. This will help expedite the return process. All warranty claims and damaged item claims need to be handled only through UNITRUCK.

A refund for the incorrect product will be applied, upon return and inspection. If a replacement is needed before the original product is returned, the replacement must be purchased.

We strive for 100% customer satisfaction so if you need any additional information regarding our shipping and return policies please visit the contact us page of our website or send us an email at info@unitruck.com.

Warranty

We offer a one-year warranty on our products starting from the purchase date. In the event your item stops working or is experiencing a defect, this would not fall under the normal return policy. Please contact our customer service department to receive instructions on how to start the warranty process.

Cancellations

Orders can be canceled only prior to shipment or the start of the manufacturing process. When the product is received, you may contact a UNITRUCK Customer Service Representative (returns@unitruck.com) to obtain a number to return the unwanted product. The return shipping would be at the customer's expense and the original shipping costs would not be refunded for cancellations

Terms & Conditions

By using www.unitruck.com you signify your agreement to all terms, conditions, and notices contained or referenced herein. If you do not agree to these Terms of Use please do not place an order. We may amend these terms of use from time to time.
